

# Insanely fast fibre broadband is now available in your building.

We've teamed up with Telcom to bring you fibre internet wired all the way from your workplace, directly to the superfast core of the internet.

Say goodbye to waiting.

## Internet unbundled

Although we have you covered if you want phone solutions, if you just need internet that's fine with us. No forcing you into bundles.

## Get online in days

Because our fibre connections come pre-installed in your building, we can get you online in a matter of days.

## Local, 24/7 support

We understand that connections are vital for businesses - our local team is committed to keeping you online and happy, day or night

## Always getting better

Telcom is a tech company first-and-foremost. Our network uses the smartest, newest equipment so your connection will never be left behind.

Turn over for plans and pricing

# Fibre connections with backup wireless links, so your connection never drops out.

... or if you are looking for something a little more tailored, call us for a chat!
